

General Services December 2009

Staff Report

The majority of our time this month has been spent doing snow removal
Sanded school parking lots and streets
Daily rounds
Packed snow down to make base for ice rink
Cleaned Bahle warming hut
Shoveled steps at Bahle park several times
Had heating contractor come and repair furnace at Bahle warming hut
Helped Dave cover clarifier and build the frame
Serviced equipment and vehicle
Met with a couple overhead. door contactors for quote to repair door at
Richter road shop
Did through cleaning of Richter road shop
Kept WWTP plowed and sanded sidewalks shoveled
Covered for Ben while he was on vacation (multiple shut offs, rounds and
general utility task)

The rest of my time is spent on work orders, public concerns and assisting
the other departments:

Sincerely
